Dear Lab Director:

Your laboratory was recently surveyed by COLA on 4/10/2015.

Congratulations on achieving a survey with no citations. We are pleased to assist you in maintaining quality lab practices.

The standards your laboratory maintains demonstrate your commitment to quality. Your emphasis on quality leads to reliable test results, which are essential in assuring excellence in patient care. We also compliment your laboratory staff for its dedication and continued support of COLA standards

Thank you for choosing COLA as your accrediting agency. We look forward to a long and productive working relationship with you and your laboratory personnel. The next review of your laboratory will occur approximately 18-24 months from the survey date stated above.

Visit COLACentral™ (www.colacentral.com) to keep your laboratory's information current and to access COLA products and services.

Sincerely,

Richard A. Wherry, M.D.
